Date November 2004

Gateway Area Ultralight Association  
President's Message  
For November 4, 2004 Meeting Newsletter

This month's meeting will be on Thursday, November 4th, at Parks College hanger, Parks Airport. The program will be to talk about ultralights and I will have returned from the sport plane exhibition and report any additional information about sport pilot. So bring your best story or question and learn something new.

It is that time of the year to choose officers for 2005. Nominations will be made during the November and December meetings, the election is held at the December meeting. If you are interested in an office please contact Rich Brannan or me. Our club depends on the members stepping up in order to keep it going, so please consider an office. I know our phone numbers are on this sheet somewhere.

Fly safe, have fun!

Earl
